Correspondence of the Appeal.

FRIDAY 21, WED., AUGUST 21, 1858.

Editorial Appeal :—We will perceive from the indications which have been made in the river counties of our State in their recent contests, that it is in the opinion of the most eminent statesman that ever figured in this Republic, and it would, perhaps, be well if some of our letter-day Democrats—to say nothing of others—would be less disposed to lead and uphold the banks of this progressive nation, and more disposed to practice and preach the doctrines of that great patriot from whom I have just cited quotations.

My countrymen : It seems, at first thought, to be horrid, humiliating and outrageous, to talk of sending bank Presidents, &c., to the penitentiary, but my humble, private opinion publicly expresses, that, if that were done, it would be a good service to the country.
